*Award-winning creative agency
producing exceptional events and
exhibitions across the globe.*

exhibitions

Specialising in stand design and build, with more than 20 years of industry experience, our multi-national management and production team has a proven track record of delivering world class quality.

events

Our work is distributed across events, out of home environments, the digital arena, social media, brand activation and augmented reality techniques - helping clients achieve communication and commercial success in today's experiential world.

interiors

To serve the growing commercial interiors industry in the UAE, we provide bespoke and innovative design solutions for corporate offices, F&B outlets, retail establishments and hotels.

graphics

Attention to detail, award winning design and international standards - this is why TGP graphics is one of the UAE's most successful design houses, consistently helping clients achieve their marketing goals.

visual merchandising

We offer a variety of merchandising and display services that will attract attention, make your merchandise pop, and increase your bottom line.

customer engagement

Our customer engagement services provide insight-based, outcome-driven individualised, end to end customer communications.
